

Kathleen Boncimino

September 19, 1968 - July 14, 2019

Kathleen Boncimino, passed away on Sunday, July 14 with her family and friends by her side. She was born in Schenectady, NY. She is preceded by her mother Helen Duffy Kissane and sister Helen Kissane. She will be dearly missed by her husband, Frank, and children Alexa, Jake and Nicole. She is survived by her father John (Carol) Kissane, her brother John, sisters Marie (Walter) Ewald, Anne Freeman and Jenny Kissane. Her family of many who miss her include brother and sister in-laws, aunts, uncles, nephews, nieces and cousins.

Kathy was a respected physician, dual Board certified in Internal Medicine and Physical Medicine & Rehabilitation and also obtained a Masters in Public Health. She touched the lives of many.

Kathy loved life every day, and she was happiest spending time with her family. She started many family traditions like hosting Thanksgiving murder mystery dinners, picking out giant Christmas trees, conducting mommy school with the kids, watching Ancient Aliens, and hanging birthday signs around the house. She loved Halloween so much, especially gate night, that she declared October to be scary movie month.

Kathy was the most selfless and giving person and always the first to offer help to anyone. Everyone who has met her, from family and friends, to her

colleagues and patients and even acquaintances, would agree she would go out of her way to help others, without a mention, even in her own time of need.

She left this world a better place.

Kathy has been deeply loved by many and will be missed eternally by all.

The family will be celebrating with a private service.

In lieu of flowers, Kathy requested that donations be made in memory of her cousin, Tommy Kissane, a decorated volunteer Fire Chief. He passed too early and left behind his wife Alison and four young, beautiful children without life insurance due to a pre-existing condition. As one who always thought of others, even when in her own battle, it was Kathy's wishes we support her cousin's family.

“ *Here's what I couldn't say in person today. I loved you more than anything - I've have loved you as my Irish-twin sister more than I know how to express. We fought together when we were young - even had one or two spitting contests with one another - but you were my bunk-mate and my soul-mate in Bardonia, NY and in Vermont. I loved you more than you could ever know. You provided me with inspiration, with knowledge, with healing, and with believing that karma existed. I believe you probably saved my life from skin cancer and you probably saved cousin Johns life at thanksgiving from choking. You healed Ethan through his stitches. You've probably healed all of our kids through stuff - you told me to take Lili to the emergency room for stitches when she cracked up her face going to Uncle Jimmys funeral, and more often than once you've stitched up Marie's kids who seemed to run into the corner edges of of your furniture on more than one occasion. You were the most incredible person I have ever known and will probably ever know. I'm sorry I couldn't speak at your memorial today - I miss you more than I can ever express.*

“ Dear Frank, Alexa, Jake, and Nicole- I spent a short period of time being your babysitter during my college years. At that time you were still living in NJ. My first memory of meeting you all was right after Nicole had her tonsils removed and she was enjoying some ice cream. This news of Kathleen's passing has absolutely shocked me. She was always so sweet and such a loving mother. You are in my prayer's during this difficult time.

“ Dear Frank, Alexa, Jake, and Nicole,
We are so sorry to hear of Kathy's passing. There are no words that can make your pain go away. Kathy was so smart, kind, thoughtful, and just a great person. Kathy always looked at things in a positive and calm manner. We know that she was an awesome mom and a loving wife. May she rest in peace. Her kindness, compassion, and generous spirit towards my brother Tommy's family just shows the kind of person she was....always thinking of others. God Bless all of you! “ Dear Frank, Alexa, Jake and Nicole,

Even as a little girl I always thought that Kathy could light up a room with her smile. She ALWAYS smiled and loved to laugh. Growing up at family gatherings, Kathy was one of the younger cousins and Anne, Marie, Kathy and Susan were always together - doing acrobatics, dance moves, always having fun - they loved showing off their skills to Mac.

Kathy's smile brightened when she met Frank and we all knew that you would have an amazing life together. Her children brought more joy and love into her life - her heart was full and that allowed her to always give to everyone else. Kathy loved her family more than anything.

Smart, beautiful, humble and kind - the most glorious angel is now watching over you all.

*Love,

*I met Kathy through our involvement in Opera Carolina
Kathy always had a smile and a kind comment about everything. I was fortunate to share several visits and events with her and the family at their beautiful lake home ..Kathy was such a joy and enjoyed laughter and fun with her family and friends.. Kathy always was concerned and caring about her family and friends. A humble loving and generous women
of tremendous intelligence and grace. She was so beautiful and pure. Her light shined goodness and gentleness in everything that she did . She enlightened us all with humbleness and a caring nature.
I feel blessed to have known her..but very sad to see such a kind and gentle spirit leave us so soon ..
My heart is saddened for her family ..her beautiful children and her husband Frank.
My sincerest sympathy to you and to all of us who knew her. We have lost an angel of pure goodness.
It was a honor and privilege just to be her friend.
Much love and hugs to you all.
