“ *Kitty's family and friends, My name is Jean Obi. I am in Kitty's Good "Shepherd Bible Life Group for MANY years now. I loved your sister, mom, grandmother and friend to ALL she met. She was the "spark that ignited" our group. If there was a lull in our life group conversation, Kitty would pop up with the PERFECT thought and got us ALL talking and discussing our study! Our last study was "Experiencing the Spirit by Dr. Henry and Melvin Blackaby. We got to share our time together at the Billy Graham "Cove." She will create a HUGE void in our life group. I am so VERY sorry for your loss and our loss. I am praying for comfort for EACH of you EACH day!*

“ *I am so very thankful to have had this loving woman in my life for 40 years. She was loving, caring, faithful, adventurous, fun, wise, selfless, beautiful, and radiant But the most special part of Kitty was the love she and Daddy shared and they way they loved their family. There are no words to describe how very much I will miss her.*
