“ *I send my deepest condolences to the family and friends of Mrs. Jones. Although I did not know her personally, the loss of a loved one is definitely a trying time for all. I pray that her family and friends can find comfort in God's Word the Bible, and continue to rely on Him in prayer. At John 5:28, 29 we read: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out..." May the promise of this beautiful resurrection give you hope and peace of mind!*

“ I am so sorry for your loss. Although, I do not know your family personally, I would like to share some encouraging thoughts from the Bible. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. Very soon now, we will never experience losing our loved ones in death and we will be able to see them again once they resurrected as per John 5:28-29. May these words give you a new hope.
