“ Kathy was such a great help to me through the years, she used to would take me to her apartment when I was little and spent time with me and always made sure I was taken care of. My prayers go out to Steve and Matthew and Jennifer and all her family and grandchildren and great grandchildren and Kathy definitely loved her fur babies. I know she's celebrating being with her mom and dad again who were two of the sweetest people you could meet. Praying for all of you at this time but just know Kathy isn't suffering anymore for she's in the arms of Jesus now
