“ My heart and soul goes out to you all in this very difficult time. I'm sure you knew of Keith's high energy of a personality and how making someone laugh ruled his day. He was a crazy guy with a huge heart. I'm gonna miss him. Stay warm, stay positive, and stay strong. I know he wouldn't have wanted anyone to allow negative energies to take over such a loving soul. With love and good spirits, Sincerely, Brian Supernault
