“ *In the short time that I knew Kieth, I learned a lot about him and his family. He spoke of how much he enjoyed taking his grandchildren fishing and his love of the outdoors. We wish his family Peace.*

“ Keith Hyde was a devoted advocate of workforce initiatives in Ohio for both individuals seeking work and businesses facing needs. He was my boss for 30 years, my mentor and my friend. The water and his boat were the place he went to refresh. He will be missed. Blessings to his wife, Theresa and his family. He talked about them often and they brought much joy to his life. Hugs to all.
