“ *Marsha,
Hard to think of the world without Mike in it. He was a great guy and a good friend and I'll never forget the way he would just smile and shake his head and tolerate some of the silly things he saw us do ... sort of like an older brother and an understanding dad all in one. I'll miss seeing him.*

“ I'm so sad to hear this news. Marsha you are in Jamie and I prayers. I worked for Mike at BI. My first job out of college. Mike and I share the same birthday and celebrations were a BIG deal at the plant. Our special day was a huge event every year. Played lots of basketball and golf together. He was really good at both sports as an "old man" in my eyes back in those days. I'm grateful he was part of my life.

“ I am stunned to hear of Mike's passing. I loved getting to know Mike (and Marsha). When I think of Mike, I will think of him (always) smiling- in fact the picture on this page is very appropriate. He always had a sunny disposition and I always enjoyed talking sports with him and other things. I feel pretty sad, a void, that he is gone but I do feel fortunate I got to know him. God bless, Marsha and family!

“ So sorry to hear that Mike passed away . Our prayers are with you and the family. He was a very kind and thoughtful friend. Always had a smile on his face and willing to lend a helping hand to others. May you all be surrounded with God's peace and comfort . But to know Mike was also to know you had a friend for life. The Class of 67 lost another dear friend but we thank God for all the great memories that will last us a lifetime. Rest In Peace Mike know that you will be missed.
