“ So very sorry to read this. Kenny was one of my all-time favorite students. When he was in junior high (Wake Forest, NC), he went to the beach with our family. Sincere condolences to all his family and friends.

“ I just can't believe how much Kenny Jr looks exactly like his dad (and my brother). Now he can be with his earthly dad that he never got to see on this earth. And his mom, and

Grandma and Paw Paw Elder, and others. What a reunion they are having! Love you Kenny! Wish we had spent more time together!
