“ *We were never able to meet Ken. We were looking forward to when we would be able to see him and talk to him in person. Our children have grown to love him, just from the phone calls. He is an inspiration and a blessing to our family. We know that the Lord had a hand in our meeting. We are so thankful of his love and goodness for our son and the other missionaries whom he loved. We know that love will continue forever.*

“ To the Madden family, I'm so sorry for y'all's loss. Ken was a great guy. Seen him at church a couple of times. And would always run into him at Cashions Quick stop in Huntersville. He tell me you better what out might run over you. And he tell me to take good care of my 3 grandsons. He loved them.
