“ *Kim and I worked together for several years at PHC, but she wasn't just a coworker, she was a friend. She and I share the same birthday and I always referred to her as my "Birthday Sister ". We always chatted about Chicago Fire, but she always said she liked Chicago Med better. There was hardly a day that Kim didn't have a smile on her face, even with all the pain she was feeling. It is still hard to believe that she is gone. I will never forget Kim or her laugh. RIP Birthday Sister! Prayers of Peace and Comfort for the family. I am very sorry for your loss.*

“ I have known Kim since 2001 when I started with PHC. She trained me for some coding later on after she left our office. I know she will be missed by all. Prayers for the family and many friends.

“ Kim was the first person to train me at PHC in 2007. She was always kind and spoke fondly of her husband and boys. Kim was once a co-worker, always a friend. My heart aches for her family and my prayers are for comfort. Almighty God, source of all mercy and giver of comfort; Deal graciously with those who mourn, that, casting all their sorrow on you, they may know the consolation of your love; through your Son, Jesus Christ our Lord. Amen.
