“ *To the family she will always be in my heart. I loved her so much and Charles too. My prayers are with you and family too. She is in a better place and I know she will be watching over me in heaven. I think about her every time I ride in her saddles. And I'm working horses and what she told me about barrels racing too.*

“ *Kit, you will always be one of the best role models I have ever known. Thank you so much for all your kindness over the years. I will see you again my friend at that great big arena in the sky! God gained one classy angel! Love, Kyla*

“ I know you never realized how many lives you touched and changed over the years but you will be truly missed by all. Heaven's barrel racing just got tougher! Your memory lives on in the lives you touched. Give Tonda a big hug for me.

“ Ride free sweet cowgirl. Love you for all you did for me and the boys. You were rodeo all the way. You were a great influence on many young cowboys and cowgirls.

“ I send my deepest condolences to the family and friends of Mrs. Malcolm. Although I did not know her personally, I've experienced the loss of a loved one some years ago and know it is a difficult situation to face. I pray that her family and friends can find comfort in God's Word, the Bible, and continue to rely on Him in prayer. John 5:28, 29 talks about a hope we have of seeing our loved ones again when they are resurrected back to life. We can be confident in that beautiful and exciting promise, and may it bring you hope and peace!
