“ *We met Kristen in January at Flying High Academy. She was my four year old daughters gymnastics instructor. Your beautiful daughter was such a role model and inspiration for my daughter. She was always so patience, loving, kind, and encouraging with her students. My daughter was in awe of your daughter. I wish I had told her how much she meant to my child and me. May her light continue to shine through all the lives she blessed and touched. 1 Timothy 4:17*

“ Julie, Paul and Grace. And FamilyI really don't know what to say, I do send our sincere sympathy to you and the family. This was a shock to all of you and words do not take away the hurt and pain, just know in the days to come will be hard and when that does, try to reflect on all the joys you all have had and that Kristen was a very happy young lady that was called to heaven early.
