“ *My dear cousin, even though it's been many years since we've seen each other, I've thought of you and the rest of the family often. I'm so sad you've passed away. Although the memories I have are from decades ago, I will cherish them forever.*

Sean, Jamie,

I'm here for you and the whole family. I'm only a phone call or message away. I've reached out to each of you separately on Facebook and would be happy to give you my number if you would like it.

I love you all!!
