“ I was privilege to know Larry even though we lived half a state apart. Larry was pleasure to be around and from the first time we met. He was down to earth and I could tell took pride in his work. You only had to be around him a few short minutes and you knew how much he loved his family
Talking with him and Diane was like talking to family he will be greatly missed. Frances and myself were both shocked and saddened when we found out of his passing. We send our heart felt condolences to Diane and Eddie.
