“ *Hi, I am sorry that I was not able to make it to the visitation or funeral. I worked with Larry for many years thru the NC Baptist Men's disaster relief work. We always had a good time, and Larry could make me laugh, even when I was tired and frustrated. He was always available for me to call with a question, even when he was home with the flu. I will miss him, my friend and brother. Prayers lifted for you all daily.*

“ I worked along side Larry for about 2 years, always viewed him as the Elder Statesman of the group, with a wealth of knowledge and experience. Larry was always pleasant and up beat, even though he had to put up with us "kids". I hope we brought as my joy to his life as he brought to ours.
