“ *Year ago I worked with Larry and spend many fun weekend with him and a group of friends enjoying the lake. Larry bought my first car from me and forgot to put it in park. The car rolled into the lake. After we all finished having a good laugh, we helped him pull it out of the lake. Then he drove it for several more years. I will never forget his kind and loving spirit. RIP my friend. Heaven now has another sweet, sweet Angel.*

“ I send my deepest condolences to the family and friends of Mr. Overcash. While no words may ease your pain, rest assured that the pain we feel won't go on forever. John 5:28, 29 talks about a hope we have of seeing our loved ones again when they're resurrected back to life. Once resurrected, they can enjoy the promise found at Revelation 21:4 which speaks of a world in which death, tears, mourning, and pain have no place, for “the former things have passed away”. “ We were so sorry to hear of Larry's passing. We were friends of Larry's for many years when we lived in Mooresville. I also had the pleasure of working with Larry at Lowrance Hospital many years ago. We loved Larry and his crazy look on life. He bought a Honda civic from my sister, Nina and let it roll into Lake Norman. How hard we all laughed, but ended up helping him pull the car out of the water. With love, we say goodbye to a great guy and friend.

“ I worked with Larry for about 5 years. He was a wonderful co-worker. Always extremely respectful and had a smile ready. He will be missed.
