“ I can't think of Larry without remembering him playing "Lady of Spain" on his accordion as a teenager. It was a difficult piece of music and he played it well.  
He phoned me about once a month just to talk & always on October 4 to say "happy anniversary" to which I responded "happy birthday".  
He had a big heart & his wife & children were all the world to him.

“ I've not known Larry for a long time, but he and his family took my daughter in when she needed help and I'm greatly appreciative of that. When I met them they made me feel like family. He's going be missed.
