“ Wanda,I sorry for your loss. Larry was truly a special person. I am so fortunate to have cross passed with Larry on my life's journey. He got to know Larry by working at Doosan over the last 3yrs. He was the nicest person I have ever met and was always willing to help anyone. I would ask about one of the pictures he had hanging on his cubicle wall and he would tell me stories about his grand kids. He always would smile and chuckle when he talk about the grand kids. I know he is in a better place walking in the meadows of heaven. If the world only had more Larry's in it, what a wonderful world it would be!!! I will truly miss him, until I can once again see him a go for a long walk with him in one of those meadows in heaven and catch up on old times.

“ Wanda, Tim and Wendy; Larry will be missed by all who knew him. He and I walked many miles together during lunch. Much of his conversation centered around his family. He really loved those grandchildren and enjoyed so much seeing them grow and enjoyed talking about them. May God richly bless you in the coming days.

“ I send my deepest condolences to the family and friends of Mr. Stutts. Although I don't know the family personally, I'd like to offer some consolation from God's Word, the Bible. John 5:28, 29 talks about the hope of seeing our loved ones again when they are resurrected back to life. Once resurrected, they can enjoy the promise found at Revelation 21:4: "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain by anymore. The former things have passed away." May this beautiful promise bring hope for the future and peace of mind now!
