Scottie and Zac, I will always cherish memories many memories of Kristi. We first met working together in the 90s at Charlotte Eye Associates (now Horizon). Kristi and I had so many fun times together over the years. I am sad that we lost touch for quite some time but had recently reconnected.

“ To know you was to love you , I will forever love you my beautiful friend! You were that one in a million person. It was a blessing to love you and be loved by you my friend and sister. So blessed to know you'll be one of our angels watching over us. Your old soul was one of a kind. May you walk along as many beaches in your flip flops as you can, May you find every fishing hole, May your laughter and smile continue to light up the world. Your body, your heart and your mind is now free of pain, hurt, and stress. Your true heart and friendship was one of a kind and a rarity in this world.

*“ I am so sorry for your loss. I loved Kristi. She was my very first friend when I moved to NC
She was always there when I needed her and I for her when needed. I regret this past year not getting to spend time with her but I always thought of her and sent her messages. To let her know I was thinking about her. She was such a great person and funny. I will miss you !

“ Zac, Scottie and family, I send my deepest condolences during this time. Kristi was one of my closest friends and confidantes. She was a precious, beautiful woman with a true heart of gold that never wanted to hurt even the tiniest flea. I will cherish the countless calls, jokes, laughs and not so happy times we had. My dear friend will truly be missed.
