“ My sympathy to you Chris and to your family. You know how much I cared for Larry. He was so kind to me when my Eddie was born and actually brought us home from the hospital. Working with him was a joy. I thought of both of you often and loved seeing the updated pictures of you all. Be well my dear. I will keep all of you in my prayers.

“ Met Larry in high school. He knew my high school sweet heart whom I married 48 years ago. He remained a good friend for many years. He taught me how to ride a motor cycle and let me ride one of his, a chopped Honda while he rode his Harley. He had a 65 Olds 442 white with a red top with “Gypsy” written on it. He was fastest in neighborhood though my 66 GTO came in 2nd. He was there for the birth of our daughter. I’ll never forget him running down the hall towards me wanting to know how Jean was and what she had. Funny how he became a Chaplain and me a Pastor. Last time I saw him I was getting ready to move to SC and we talked as if it was only yesterday when we spoke last. There are so many more memories and not enough time. We will miss him dearly.
May God grant you peace and comfort at this difficult time.

“ I will always remember Larry with a smile. I watched him grow up as his parents and mine were always together. My mother was Larry's mother's younger sister. We had great times, especially our family reunions.

I was there when you were born and now my heart is filled with sorrow.

I will cherish my memories of you. You have left us all too soon.
Rest in peace, dear Larry.
