“ *We are overwhelming saddened by the news of Leslie's passing. Our condolences to all of you. Leslie was such a wonderful, caring person and teacher. She took care of my daughter Alex and son Blake at ACP. They loved her so much and she made such an impact on them. But if there is any good news, she lives on in all that she touched which is so many.*

“ I am grateful for having known Leslie as a co-worker and friend. Our 2 and a half work years at A Child's Place in Devon, PA were spent educating the children in our care with fun. She always supported with a smile. Although our work years were short, they were long enough for us to develop a positive friendship with love and respect. I may be deeply saddened by the loss of a beautiful lady, but very blessed to have had the opportunity to know and work with her during those memorabe years. To the Baum Family, my condolences and to you Leslie, "Rest in Peace" because you are loved.

“ Miss Leslie: God has added another Angel to his army! Our friendship began in the summer! A swim at the pool quickly segwayed into having dinner and going shopping and watching movies!! You were a beacon of light to me in many a times of darkness...many a times it was you that carried me through. You never allowed for someone to hurt alone...you were there to show a smile and offer kindness. My many fond memories will carry me now. My thoughts and prayers go out to the aching hearts of your mom and dad and brother and all who will miss you very much. I'm certain your beautiful soul is watching out for us still. I love you and miss you and long for the day when you greet us at the gates of Heaven. Until than my friend I will always miss you and Love you! - Maria

“ LG, I am sad that I am writing to you here rather than through a text message. I am glad I talked to you a few weeks ago and heard you say how happy you were and how you were loving life in the south. You were such a kind, loving, fun person and I am so happy to have the priveledge of knowing you and having you in my life. There is no doubt in my mind that you are off to take care of others, to comfort them and to let them know they are loved. Just like you did while you were here with us. I love you and I wish you luck on your new journey. All my love, DGJoe, Peg and Kyle-Although I do not know you personally, I feel like I do from the many many times Leslie shared stories about your family with me. “ Mr & Mrs. Baum, Kyle and Karen. Prayers to you and the rest of the family. Leslie will be missed very much and she had such a big impact on many in the Wayne, PA area. I talked to her on Monday, and I didn't from her after that. I have this emptiness now, I have no idea who I am going to call when I need to vent or share exciting news. We talked everyday. I will miss you picking on me all the time. You were one of my biggest supporters. You believed in me. I miss you so much. You had such a big and caring heart. You would help out anyone before you help yourself. You are MISSED LESLIE. And as we try to heal, it becomes harder. I have been crying for days. Mr and Mrs. Baum.. You had an amazing daughter. You should be proud about how much she was loved and respected.

“ Dear Leslie, There are some who bring a light so great to the world that even after they have gone the light remains. That light is you Ms. Leslie, your light will shine forever in our hearts. I feel so fortunate to have know you and will always remember your positive outlook on life. You always had a kind word no matter the situation. Leslie you touched many lives and the hearts of many children with your kindness and positive energy, you will never be forgotten. Joe and Peg, I met you several times when you came to visit Leslie. I remember a conversation I had with Leslie , just one of many . I told Leslie that the kindness she always gave to everyone no matter the situation was such a great quality that you don't often see. I remember her telling me that her parents took great care in raising her to be a kind and caring person to everyone no matter the circumstance, and that is how Ms. Leslie will be remembered. My heart goes out to you and your family and I want you to know that Leslie was loved so much here and will be dearly missed. Prayer to you and your Family, Ms. Jolene
