“ *Dennis and Carol, Very sorry to hear of your Mom's passing. Was in Boston at the time and didn't hear until later. Regret being unable to come to the service, but had a previous thing that had been planned for a year and could not be changed. Libby took a lot of us new trainees under her wing in our training group in Charlotte and made our entry into "IRS World" a lot easier. We became good friends and she will be missed by a LOT of folks! Best Wishes and our sincere condolences.*

“ Sad to hear Libby has left us, but I have to feel happy knowing we will all see this special lady again in Heaven, without a doubt! Libby rocked both our newborn boys, Ross & Zane, in the Lake Norman Baptist nursery & we came to love this woman who once you met became a lifelong friend. Genuine and always with a smile to greet you. She loved those grands! Our thoughts are with you all for your loss.

“ Carol & Dennis you have my sympathy and prayers. Your mom was such a gracious and thoughtful lady. I met Libby when I first came to Charlotte for work. Libby took me under her wing and made sure I went to church with her and helped me house hunt. We had so much fun. After my family and I moved here permanently she continued to be a cherished friend. Although we didn't see each other often after she retired, we talked and she always left me with a smile. I know how she cherished her family and the joy you and her grandchildren gave her. I hope those memories comfort you as you remember her.

“ Libby had the ability to make you feel welcomed. I met her this past spring and I can say that I am a better person for knowing Libby. She was one who would share a story with you or enjoy the deer coming up to her window at Yarborough in Charlotte. She loved the deer very much but she loved life and her daughter and grand kids even more! I am glad I got to know that special gift from God known to us as Libby.
