“ *What many don't know about our momma she coached me as a kid throughout different sports at our local park. She hated rides but took me to amusement parks all the time. She couldn't swim but took me to swim lessons and then every summer spent hours at the beach. See my mom was always about pleasing others. I was really missing her today as I was at Knotts berry farm and she asked when I went last time to get her some boysenberry preserves and they didn't have it last time. Well today they did. I think it will be the little things I miss most about my momma*

“ I did not know Linda I, however, I did have the honor of being her son, Joey's, assistant principal at Mooresville High. He is an outstanding young man that has made an amazing contribution to our community as a Fireman. I am sorry for the family's loss, but was very proud to see him today and see how he was working to honor his mother in the way she desired.
