“ *To Lin's family, I met Lin about 6 years ago when the boys we both nannied for became best friends. So she & I would get together at least once a month for a playdate & this continued even after moving on to new families. We were an odd pair, 30 year age gap, probably a 15 inch height gap, but she was a dear friend & I cannot express how deeply saddened I am by this awful news. She will be dearly missed. My heart goes out to all of you during this time. I will miss our long talks & all of her wonderful advice.*
