“ *Dear Aunt Linda,
Thank you for everything you did for me throughout the years. We had a lot of great times together, especially during my college days, and when I lived with you on the lake. Thank you for taking me to Florida when I was only six years old.
You take care and remember that I love you. Your nephew Michael*

“ *Linda, you were such an amazing woman! I will forever cherish the memories I have with you from when I worked at The Pines!*

I know you are up there now with endless amounts of black coffee and Reese's. Thank you for always making me laugh, and for keeping my belly full each morning of high school.
