“ *Uncle Kenny, Kenny, Kelly, Kevin and Jennie and all the rest of the family. I am so sorry for what you are going through with Aunt Linda's passing. She was the matriarch of the family that held you all together. I have so many memories growing up and spending time with the family during my summer visits to NJ and all the holidays that we all got together. They were quite memorable. She is going to be missed but will be watching over you all. Sending love, strength and peace to you. Love you, Lori*
