“ Linda was like no one else I have ever known. She was fiercely independent, had a wealth of knowledge about so many subjects, and a love for her family that never wavered. I will miss her but am grateful that we shared many thoughtful conversations. We laughed. A lot. I am comforted to know that she is free, she can breathe and is reunited with her beloved Snickey. May God bless and keep her family through this difficult time. dory

“ I kind of stumbled into Ms Linda's life about 6mos ago and although I was there to 'help' her, I learned so much from her amazing knowledge and wisdom, that I use to tell her that I should be paying her for the visits...
We had deeply profound conversation during our little dinner parties and she truly captured my heart...
I will miss her...
God speed Ms Linda
