“ *Everytime I buy Avon I remember Linda. She was a wonderful person and inspiration to many. Angie, you remind me of your mom. You are a very devoted daughter and just know that you did all you could and some to make your mom as comfortable as possible. This time may seem very hard, maybe even harder than what you have been going through but remember your mom is in a very good place with Jesus and is smiling. You will see her again. And as much as you are hurting now, it will get better. We love you and are here for you.*
