“ Aunt Linda I am at a loss knowing that I have lost another best friend. You wasn't just my auntie you was my second mother, my best friend.I could call you and talk to you about anything and you would always listen even if it was over something so stupid.I am going to miss you something terrible but I know you are only a prayer away.Rest in peace sweet angel and watch over us here on earth. Until we meet again.I love you
