“ I believe the following poem says what Linda would want from all of us.

Death is nothing at all

I have only slipped away into the next room. I am I, and you are you, whatever we were to each other, that we are still.

Call me by the old familiar name. Speak of me in the easy way which you always used. Put no difference into your tone. Wear no forced air of solemnity or sorrow. Laugh as we always laughed at the little jokes that we enjoyed together.

Play, smile, think of me, pray for me. Let my name be ever the household word that it always was. Let it be spoken without an effort, without the ghost of a shadow upon it.

Life means all that it ever meant. It is the same as it ever was. There is absolute and unbroken continuity.

*What is this death but a negligible accident?
Why should I be out of mind because I am out of sight?
I am but waiting for you, for an interval, somewhere very near,
just round the corner.*

All is well.

“ There will never be another Linda, so kind, giving, non judgmental, best friend to many. The time the 49'ers spent together were memorable, we laughed all the time, solved all the problems in the world but mostly enjoyed each others company. When the trip ended we would return to our homes energized, ready to take on the world. For years we have had a zoom meeting once a week which we loved (even with the technical problems we encountered!) helping us to keep in touch. I was very sorry to miss the service but Mary represented all of us. Honor Linda but spreading kindness in this ever changing world.

“ To my dearest Aunt Linda💔 Incredibly difficult for me to believe you no longer walk this Earth with us. Many today are having a difficult time... You were my dad's Irish twin, Mom-Mom's right hand, Chuckie's mum, Uncle Bob's forever love, Pop Pop's conscious, your sisters' confidant, Paul, and my aunt, our 3 children, Andrew, Katie Belle, Matthew's loving aunt (and playmate), a wonderful step-mother to Wendy and Tammy, the 49 ers rock, a sister-in-law, Hospice's faithful volunteer for 20+ years, everybody's friend, but to me (and our children) you were my / our aunt Linda☐ The one I could tell anything to without judgement and knowing it always stayed between us. You made everything special and loved me for me and were the epitome of the perfect auntie☐ My heart is heavy as you were the glue, the rock, that kept everyone (the Eckman/Howard clans) together and made life incredibly fun! You never let anyone feel out of place or unwanted, always opening your heart and home without question. Today, God called you, His Angel Home to Heaven. It wasn't supposed to end like this but God was ready and so were you. Today your beautiful wings took flight as you found your way home. I know Mom Mom and Pop Pop, and Paul were all waiting☺☐ Heaven just got a little more fun. Please send me signs as I know this isn't goodbye but I'll be seeing you ☐☐ I love you, Aunt Linda and will carry you in my heart forever☐ Your loving and devoted niece,
Priscilla x
(Mike, Andrew, Katherine and Matthew too-we shall miss you☐)

“ *The Eckman and Thomas families are honored to share Linda's love, friendship and how she has touched each of our lives. We start with her childhood with her vibrant and positive behavior which she never lost until her final earthly breath. She was life's model for all of us - upbeat, encouraging, lasting friendships, family and helping others. After our mother Wilma passed away Linda became the Matriarch of our family. She was the Leader of her precious 49ers. One of her 49ers said "You are the leader of our pack and leading us on your last earthly journey. I am comforted knowing when it is my turn you will be waiting as always showing me the way. Thanks for all you taught us, you opened worlds and ways of understanding." Another 49er wrote "I could not begin to tell you all the things you have taught us, one of the major things is kindness to everyone. You were always there when I was sick calling me and visiting me which meant the world to me. Thank you for being you. I love and admire you beyond words." Linda's hours of attention to our Father and later Mother as death approached each was indeed God's gift to us. What would we have done without Linda!*

Linda served our Country at the National Security Agency. She touched many in the international community with her professionalism and friendships. She was highly commended for her communications security liaisons with our Australian and Canadian partners. She served two international tours of duty in both England and Germany. It was in Germany she met and married her partner for life, Bob. Linda's memorial is as much about her as it is about our tribute to Bob and Chuck for their end of life caring and love.

Who do we turn to in our hour of grief and sorrow. Linda would say the Holy Scriptures. In our grief, death and loss we have hope that surpasses all understanding. It's a hope that stems from our faith in God, who is ever-present, ever-loving and ever-faithful. God is right here with us, sharing in our grief, wiping away our tears, and offering his divine comfort.

We offer this prayer for Linda - Breathe on Linda, Breath of God so she shall never die, but live with Thee the perfect life for all eternity. So, we don't say goodbye, we say see you soon.

“ OUR HEARTS ARE FILLED WITH TEARFUL GRIEF
As death slipped in and took our Chief
Linda has been with us through thick and thin
And without her presence who knows what would have been
She brought us comfort feedback from a farther world
To help us see a bigger picture
She is the flour,butter, and eggs that keep strong our mixture
And her beautiful cards that brought forth good memories
Will for each of us remain a fixture
Life will go on as they say
And Linda will be watching out for us by day
And her name will be in our lips as we pray
The 49ers will see you soon as time is flying by
So have tea ready in your favorite pot when we come to say Hi
Thanks for the best memories from our first trip
And with that our dear friend.RIP
Forever love from The Forty NINERS

“ Bob, Chuck, Gail, Janet, Barry and the multitude of others who loved & cared about Linda please accept my sincere condolences and know I share your loss. Linda was a good & kind woman who did what she could, while she could to help others. Her services to country and to community as a friend and hospice volunteer were many and greatly appreciated. My first memory of her was the day we met nearly 25 years ago at a hospice volunteer training class that I was facilitating. I knew we were going to be great buddies when I announced feeling a bit of anxiety as theirs was my first class. I apologized in advance for the errors I was sure to make. Linda was the first and then others followed to assure me that all was well and we that would learn together. Linda was an excellent volunteer that treated each of her assigned patients as they were family. She truly lived by the Golden Rule. It was my honor to know and work with Linda and call her my dear friend. Cherish & celebrate your many wonderful memories of & with her! Teresa Ward, Retired Director of Volunteer Services at Hospice & Palliative Care of Iredell County.
