

Lindsay Alger

May 23, 1985 - March 26, 2025

Lindsay Crisp Alger, 39, of Mooresville, NC, passed away unexpectedly on March 26, 2025. She was born on May 23, 1985, in Asheville, NC, daughter of Garry and Diane Crisp.

She was preceded in death by her grandparents, Alvin and Jane Pollock, Roy and Juanita Cogburn, and Harlan Cay Crisp, and her cousin Beau Pollock Beling.

Lindsay will forever be cherished by her parents, her children Griffin James Alger and Holly Jane Alger, her brother Jacob Crisp (Danielle Leeke), her fiancé David Cantrell, and numerous aunts, uncles and cousins.

She graduated from TC Roberson High School and UNC Charlotte with a degree in communications. She previously worked at Strayer University, Levine Dickson Hospice House, and as a personal fitness trainer and nutritional coach. However, she considered her most important job, and the one that gave her pure joy, was that of being a devoted, adventuresome and loving mommy to her precious Griffin and Holly.

Her family would like to thank those that have extended their condolences by remembering Lindsay as a shining star, a bright spirit, a beautiful soul, and one with an infectious smile, laugh and kindhearted personality.

A private memorial service will be held for the family at Calvary Episcopal Church, Fletcher, with the Reverend J Clarkson presiding.

“ Lindsay and I met when I applied to do pet therapy with my Irish Terrier Riley- we had an immediate connection, Lindsay loved Riley (and later little Reesi). Even with our vast age difference, our friendship grew. What a sad day when I read of her sudden passing. Rest in peace Lindsay, God bless and keep you. Your friend always, Peggy.

“ We are devastated at the passing of our Lindsay. I remember her when she was a little girl with that sweet smile and infectious laugh. She was beautiful then and grew into a beautiful woman with two gorgeous children of her own who were the light of her life and they will always carry her in their hearts. She will never be forgotten. Tim and Linda Kay McCabe

“ Lindsay and I met at hospice and I still remember a very powerful presentation she did during my orientation on compassion and empathy. There wasn't a single dry eye in the room at the end of that presentation. Lindsay is that soul to me, compassionate, empathetic with a beautiful smile and kind heart. Above all, she was a dedicated mother. Holly and Griffin were the center of her universe. I still cannot believe I won't get to see that million watt smile, hear that sweet giggle or have another heart to heart. Holding on to the hope of meeting her beautiful soul somewhere, someday again.

My thoughts and prayers are with her family, most especially with Griffin and Holly.

With much love,

I knew and loved Lindsay also at the Hospice House in Huntersville. As a volunteer, Lindsay was my wonderful supervisor . We became friends and witnessed her great parenting with her adorable children Griffith and Holly. My heart is heavy and I pray for Lindsay and her family. “ I still have no words..😭 it's so unreal. You should be here! She was my best friend since we were 8 years old..I know we had our differences, but I hope she knew I loved her and I was always there for her. I will never forget all the amazing times we had growing up; girl scouts, sleepovers, and playing in your tree house. Your big smile and contagious laugh would light up a room!

We love your sweet family always, and we're thinking of you; especially Griffin and Holly Jane. 💜

“ Our warmest condolences to the Crisp and Alger families. Lindsay will be remembered for her infectious kindness, personality and smiles. My earliest memory of her was the first sleepover at our house; Garry had to talk her into staying and she agreed! From then on, Lindsay and Ashley became besties! Her legacy will carry on especially with her family and children! Rest in heaven, Lindsay Jane. Much love, Carol and Jack Matney

“ Sending prayers and love. I'm a fellow classmate of Lindsay, she was one of the kindest souls I knew while growing up. Always a smile on her face, and always laughing. She'll be missed by many down here, but Heaven most certainly gained a beautiful smile.

“ We remember Lindsay as a young girl growing up in Church, laughing. Playing, enjoying life. Later as a Acolyte leading the procession down the aisle to the altar. Growing into adulthood as a beautiful , charming woman. Then marriage and two wonderful, adoring children. A bright light in everyone's eyes gone before her time...missed by all who her knew her.
