“ I am so sorry to hear this news! Dr. Fair delivered my daughter (and her fiancé) and I have never forgotten her care and compassion - and the prayer she had with us before my C-section. Prayers of comfort and peace for all of you.

She delivered my son and I also was touched when she wanted to say prayer before my emergency C-section! Just made me like her even more! She was definitely one of the best!

“ Lisa was my doctor in Statesville, delivered my last child and always made sure I had all the information I needed to make decisions about my health. I know I sometimes drove her crazy , but her sense of humor made us friends as well as patient/ doctor! I am sad knowing she is no longer with us! Prayers are with her family! 🙏❤️

“ Lois Ann and family, Janielle, my wife, and I were so shocked to hear of Lisa's death. I found out from Donna Douglas Burnnett's post. It seems as if it has not been too long when I "talked" with her on Facebook. Please know that you all are in our prayers. Teaching French to you, Lois Ann, and Lisa was such a joy. Both of you were full of life ---Lisa, maybe a bit more! She was such a good student, not only with grades, but a love of life which filled her world. Her smile was something else. Janielle's parents, Mr. and Mrs. Ray Fries, knew well your mother and daddy! Please take care and be safe!

“ As her patient for many years, she was a blessing to me. Her love and service to our Lord was always present. She prayed with me prior to surgery and that meant so much to me. She was knowledgeable, kind and a blessing. Prayers are with her family.

“ Pam Monroe-I had the honor of working with this sweet woman! She sat an example of kind compassionate care to her patients & staff. She was my first supervising MD when I started working for Piedmont Healthcare. She loved being a caretaker of mothers and their children and the care of women. She was most proud of being a wife, mother & a child of God. Godspeed, go & claim your inheritance as a child of God. I know I will see you again my friend!

“ I used to work with Dr. Fair at the Womens Center. She always made me feel so comfortable and not stupid! She was a very loving, compassionate, caring person who stood very bold in her faith! I know this will be a huge void for so many of you, but just know, She is smiling big today, finally; with her precious savior! Prayerfully,
