“ Lisa Anne was the commander of the Coast Guard Auxiliary unit that I have been a member for 20 years. She supported the Coast Guard and her fellow Auxiliarists with all her heart! She was loyal and dependable! Our unit will miss her badly, and we will have to recover from her loss over time. God bless you, Lisa Anne, we all miss you dearly!

“ *Dave and I only knew of Lisa through her parents, our travel friends of many years, Joe and Barbara. As travelers do we would share stories of our past and our families, kids and their ups and downs and our hopes, love and wishes regarding them. Joe and Barb often shared their pride and love for Lisa and Trevor. Our hearts go out to them now. Words can not touch such a loss.*

“ *My sincere condolences to the family of Lisa Stewart. I had the pleasure of working with Lisa while being the Director of Admissions at The Children's Guild. She would always make herself available to discuss the special needs of prospective students into our school. In the midst of being a hard-worker, she was fun to talk to and made me laugh! Lisa had an affinity for troubled children and stray animals - including the stray cats that wandered onto our school campus. It was because of Lisa that I rescued my current cat Max. She saw that he was a stray in need and put us together! I will always have fond memories of Lisa. My prayers go out to you during this difficult time.*

“ To the family of Lisa Stewart- I had the privilege of working beside Lisa at the Children's Guild in Baltimore during the mid 2000s. I had the opportunity to promote her twice, and she was the Best assistant principal a person could have asked for. The hardest working and dedicated person, Lisa was committed to the marginalized members of society and our country's troubled youth. She will be greatly missed. Nick Krayger, M Ed CAS

“ *I first met Lisa in 1987 when I first attended North Mecklenburg High School as a senior. I was new at the school. Lisa greeted me my first day and showed me around the entire campus. I was very grateful for her kindness, as we became friends. Years later I had the priviledge of working with her in the United States Coast Guard Auxiliary. Lisa got things done and I apprecaited her humor and candor and willingness to step up to help others. Rob Russo*

“ *Lisa was one of the first people i met when i first went to Peninsula Baptist, she was so friendly and gracious to me, a complete stranger. She talked to me as if i was an old friend. Every Sunday i sat with her, Steve and her Dad and they made me feel like i was part of their family , something i needed desperately, after losing my wife. I remember her love for baseball and all the traveling to see the games. At my age friends mean so much and Lisa was a great one. I will never forget her and her smile. May God hold you in his arms until we meet again.*
