“Sundays we always spent the whole day together , it was church, than lunch and then we just would enjoy the day with lots of story sharing,lots of laughter and usually about 5:00pm he would say, is it time for a ice cream cone yet. He would always laugh because I ate mine so quick. We had great times, when I went up to the mountains we went to some beautiful waterfalls, but the walk to get there was quit tricky, that was another adventure I will never forget, we laughed about that too. I am going to miss you my dear friend! Until we meet again, ❤️ Sharon
