“ *💔 Logan Sloan was one of the most loving, kind, and gentle souls I've ever had the privilege to know. He would often send me messages just to ask, "How's it going?" It was a simple but powerful reminder of how thoughtful he truly was.*

Logan will forever hold a special place in my heart, and I find comfort in knowing he is no longer burdened by the troubles of this world. 🙏 May his memory, and the joy he brought to everyone who knew him, live on always. 🕊️💙
