“ *Mrs. Greenhill was a wonderful and sweet lady with an amazing family! I had the pleasure of living next door to her for a few years. I would help cut her grass and check in on her from time to time. She was always a pleasure to speak with and, through her, I met Renee, Mr. Long, and Cassie. Oh, and I can't forget the adorable little Eros!! They are all amazing people that I will keep in contact with forever! Mrs. Greenhill had and AMAZING family and was surrounded by and showered with love! As hard as it is to see her go, we know she is in a better place and she will be watching over us all until the day we meet her again. My prayers and love go out to the entire family!*

“ *My maw maw was such a special person in her grandchildren’s lives. We all have our own special memories of our time with her but some of my favorites were her sewing and needle point stitching projects. Over the years, I had many homemade by maw maw dresses for special occasions and as I became an adult, still she made hand towels and other special items I hold dear. I enjoyed spending time sitting with her on the front porch swing and talked, always with encouraging words. Maw maw loved taking care of her family and enjoyed when all were together near and far. I wish we all could be there to say our goodbyes but know our hearts are with our family that can be and Maw maw has left her impression on our hearts that we will carry forever. All our love, Staci, Larry and Wade*
