“ *We didn't get a chance to really know Lonnie. We do know he was loved and cared for in the most compassionate way by his wife Sue as we saw the way she cared for our father at the Pines and many others. Forever grateful and thankful for those folks in our lives who give their all to those who can't return the blessings except to say thank you Thank you Sue for sharing your love for Lonnie with us! Burt and Kathy ?*
