“ Beanie was a special kind of gal! I remember Grannie (Evelyn) taking me to Teeters, and you would have to get on your toes to see her behind the tall counter of the meat department - always a cheerful smile on her face. She was full of energy, and always a light to all who knew her. I loved visiting her when I would visit Grannie, and loved that she was there with her sister. It brought comfort to me! I will miss your hugs. Beanie now you can keep Heaven straight! God's speed, and love you!

“ *Beanie was my favorite aunt, from a small child until today, her love and consideration , and favored stories, will always be in my mind. I remember most, her small handwriting and always had me a copy of Progressive Farmer, for which I still have a lifetime subscription. Rest in Peace Beanie, I love you! I am on company assignment in Bolivia and cannot attend her funeral , but she will always be on my mind . One last note, I have her original 1961 Falcon at my Houston shop and have turned it in the last years , to quite a show car . Beanie at 20mph, now she can speed around in Heaven at 100 mpg Save us a spot in Heaven, Beanie Love you always Jerry Clodfelter*

“ *I always loved to visit Beanie. I remember her taking me down to the creek below her little house when I was young. I will always remember her in her rocking chair talking about family. She always had the best outlook on life! Love you always.*
