“ Mommy, no words can describe how wonderful you are. You just don't realize just how many people do love you and will miss you. I miss you so much, I don't know how I will be able to get use to you being gone, I know you are in Heaven rejoicing with the Angel's I would rather have you here. Watch over me mom, I'm going to need you to keep me in line. I love you so much.

from Althea (Tiny Lester) Mills and Clay Mills,

Even though we rarely seen each other just want to say I remember when I was younger, always remembered your long hair. You are at peace now with God, gone but never forgotten

“ Loretta and I shared the same birth month but she's 10 years and 4 days older than me. :) That connection made her being my aunt a little more special. She was a quiet-spoken woman. I don't know that I ever saw her upset but I suspect when she was then you better watch out. It's the quiet ones that your attention the quickest. Loretta was always nice to me and I love knowing one day, I'll see her again. The heavenly reunion around the table grows each year and while she'll be miss, I know she's soaring with the angels free of the sickness placed on her earthly body. Robin and I are praying for uncle Freddie, his three girls, sons-in-law, and grandkids. This is a terribly difficult time. I hope each of you senses God's loving presence. Sending love and hugs to you all!

“ *Loretta is a wonderful sister in law who was and still a very caring lady. She had lots of love and I don't think I ever heard her raise her voice to anyone. She was quiet and a very godly lady, beautiful on the outside and inside. She was a wonderful mother to her three daughters. Her and my brother made a wonderful couple and their marriage for 29 years speaks a lot. I think about Loretta everyday and pray that I will get to see her in heaven. Her legacy will go before her because of the fruits of her life. God bless you all. Amen Mary Lou Plotts*
