“*Louanne was a coworker, mentor and friend to me. I met her as I was in a new clinical supervising role at Mtn Island Peds. She never failed me as a Go To person—always knew who to call, how to say something. Louanne was always encouraging, worked hard, and stuck beside me figuring things out. Never would she not help! She gave me a huge amount of support and confidence.*

We had a common homeland origin background in NY state. I think she loved visiting with friends and cousins there.

Louanne had a heart of gold, an easy smile and for me, a conspiratorial laugh at the dilemmas we came up against.

She will be missed. I enjoyed working with her and will never forget this kind and gentle soul.

When we were in high school, I dated Louanne's sister Joanne. We all grew up as neighbors across the street as well. I always remember Louanne as pleasant, and well manored. ' Learning life at her older sisters arm.

She'll be missed.

Prayers to Louanne and her family. I worked with her at Amherst Orthopedics and loved her as a boss. She was so kind and caring.
