“ Dana,
I am so sorry to hear of Lou's passing. We always looked forward to his visits here at Town Hall, and he and I shared many conversations about our little furry companions. I know how much you will miss him. I will keep you close in thought and prayer.

“ *My cousin Louie was someone I always admired and looked up to. He was a gentle and kind soul who knew the strength of love and the power of forgiveness. In serving and helping others, he lived his life as a true hero. There will always be a place for you in my heart.*

“ I am so sorry for your loss Dana. I worked with Lou at the Mooresville Police Department and he was one of the first to staff the role of the newly created Public Safety Officer. He did a wonderful job and forged many great working relationships with downtown businesses and Town of Mooresville staff. Lou was always helpful and had a servant’s heart. We will truly miss him.

“ My sincere condolences. I met Louis when I was a brand new Assistant District Attorney in Dutchess County many years ago and was assigned to handle cases in the Town of Poughkeepsie. Women in that role were scarce, at best, in those days and not always welcomed with open arms by all. Louis was always so kind and welcoming and his gestures in that regard cemented my appreciation for him as a person. Please accept my sincere condolences on the loss of a good man and, I’m certain, a valued pillar in your family.

“ Three words that will always remind me of Louie...ICE CREAM CAKE. Yup - every time we had the opportunity to get together with Louie and Dana we always had an ice cream cake and finished every last bit of it. The best thing is that we waited till the kids went to bed to have it. We would cut it in 4 pieces and enjoy it!!! To this day, whenever we have an ice cream cake we think of him.

We are very blessed to have known Louie. Always happy and always a funny story to tell. Kyle and Jillian will tell you that Uncle Louie gave the tightest hugs and they always looked forward to seeing him.

We are so lucky to have had Louie in our lives. We will miss him. The pictures may be a bit fuzzy but the memories are crystal clear. Thanks for sharing so many great time. We will treasure every moment.

We love you - Kurt, Sharon, Kyle, Jillian and Andrew

“ *Outside of downtown Mooresville, I first really met Lou when I purchased a rental property on his and Dana's street. Lou interrogated me for 38 mins. and I think things went reasonably well overall. Later Val and I would spend time with Dana and Lou at Starbucks and talk about everything and nothing. I enjoyed every moment I was ever with Lou; his smile and conversations were always great. Dana, we are at your service with anything you need.

“ The picture of Lou is perfect. I most frequently saw him with coffee and on his computer. I always enjoyed having coffee with him (and Dana) and discussing many issues or looking at things on his computer.

“ *I see you had an addiction to coffee, must be a Biagetti thing, Gerard & I live for coffee. We can have coffee all day & night. Will miss you Louie. Wish we had a lot more time together. If not anything else this has taught me something. Make peace with all, you just never know when you won't have that chance again.*

“ I served with Lou for many years at the Town of Poughkeepsie Police Department. We started as patrolman on the Squad 4 "road dogs" ..where we had more than a few adventures on and off-duty. Eventually he was promoted to Sergeant and some years later Lieutenant. I worked for him as his Sgt. in the patrol division where he created his famous phrase, " I don't have enough of men". And yes, Louie could consume ALOT of coffee in one 8 hr shift. Loved Chinese food on payday. He always had a kind word, a smile or a way to make you smile, laugh or just shake your head wondering "what did he just say?" A part of my life memories forever, police partner, friend, advisor , usher at my wedding and the first to email me when I was promoted to Chief long after he retired and moved away.

Dana, he was blessed to have you in his life..hold the memories close. We will all miss him.

I didn't know Lou as well as some, I didn't work for him on his squad but I liked him as a Sgt. & Lt., he knew the job well, he knew the members well, he had a great memory for crazy arrests and events that happened in his long career. I liked him and will miss him.
