“ I remember Louisa through and even before nursing school and she was always very nice to me and a friend. I graduated the nursing class after hers and she gave me her nursing dress for pinning without me even asking; I will forever hold onto that dress as a remembrance of my dear friend. It really breaks my heart to hear that she is gone but I know that she is now in heaven and at peace.

“ As a childhood friend of Louisa's, I was so saddened to hear of her death. I wish I would've kept in touch with her, but like many friendships, we grew apart as we went to different high schools. I will always remember her sweet personality and great smile. To her family, may God bless you in this time of sorrow. I'm so sorry for your loss.
