“ *Helen and family, I am truly sad for your loss, and know that I am thinking about you. Even though it has been many years, it seems like yesterday that you welcomed me into your family. Luther loved his family, and it was evident, and I know he will be missed. Helen, I think of you often, and my heart is sad for your loss. We were just talking about you and Luther when we walked the farm on Friday after Thanksgiving. Praying for peace during this time.*
