“ I only meet Mabel a few times at Keith, Debbie and Bryan's home in Ocean Isle Beach. The times that I meet Mabel she was a pleasure to be with. We went to see the Christmas lights one December and it was such a delight to listen to her talking about the lights. She was enjoying them like it was her first time seeing them. I'm just sorry I didn't get to see her more often. God Bless and may she Rest In Peace. Barbara Conway

“ Mabel and Jack were our first neighbors in Davidson 29 years ago. They immediately made us feel welcome and were always eager to share stories, yard advice (along with tools) and good laughs! For a young family renovating an old house on a budget they were role models to us. Thank you to their children for sharing them with us. I know Mabel is at peace and singing in heaven. “ *My first memory of Mabel - was as a child sitting in church listening to Mabel and my Mother, both sung in the choir. I can recall how impeccable Mabel looked in a beautiful aqua suit. Still, I remember Mabel's sweet voice - singing ... Peace, Peace be still. Now, looking back, Mabel was always in my life (when I lived in Charlotte). During our happiness and sad occasions, Mabel was a solid rock, more than a true friend, whom I love. I'll always think of so many FUN times! To my dear friend - Peace, Peace - Be Still!
