“ *Dear Maddox, we didn't really talk that much at all but if I'm being honest I would've loved to be your friend. I've heard a lot of really great things about you but I never got to experience them first hand. I wish I would've been more involved in your life and honestly I wish we could've been friends because I just have that feeling that you and me would've gotten along really greatly.*

*Rest in piece Maddox. For what it's worth I love you bro*
