“ Hi, My name is Nana Auchey. I saw Madge's obituary in the Hanover newspaper and wanted to offer my sympathy to you, April, and the rest of your family. Many, many years ago I worked with Madge at Roy Roger's restaurant in Hanover. I remember you were only a little girl then and I remember you were the apple of your mother's eye! She made a sweet potato pie one time and brought it in to work and it was so good! After leaving Roy Roger's I lost touch with her. I was young then in my early 20's, probably back in the late 70's. I wish I had known where she lived after that. I would have written her a letter. If you would like to share anything about her life after those days, feel free to text me at [neauche@comcast.net](mailto:neauche@comcast.net). I always liked working with Madge. My deepest sympathy.  
Nana

“ April, We were very shocked and saddened to hear of the passing of Madge (Mother). As you and I discussed during our conversation Thursday, it sure feels as though Mother was waiting for the 6 month time period since the passing of Al. I understand how difficult it is when you lose a loved one, hang tight, times may seem tough but believe me, it will get better. The situation appears very rough and rugged to us people on Earth, but now Al and Mother can enjoy their time together again for Eternity. We look forward to seeing you soon. God Bless, know that our Prayers are with you in these very trying times as we all grieve together.
