“ Dear Family, What a blessing you had with Aunt Maggie being with you for so many years. She may have been in her own little world, but she was happy, and she loved you. Your love and devotion for her is to be admired. There are many that do not have the love and support that Aunt Maggie was blessed with by you. We know how hard it is when your loved one has to leave you. Try to remember that she was only on loan from God, as we all are, and He wanted His Precious Child to come home....to her Beautiful Eternal Heavenly Home! Can you even begin to imagine what a wonderful greeting Aunt Maggie had when she arrived at the Golden Gates? Oh, and when she met Jesus?? Then she was joined with all of her loved ones and they walked the streets of gold together. All were happier than they have ever been and their health was totally restored! We imagine that there is a lot of "pickin, fiddlin, singin, & a dancin" going on in Heaven right now. Until we can join these precious loved ones of ours may God hold you extra close, so close that you can feel His breath as he whispers words of comfort in your ears. Reach out to the angels that God has surrounded you with. They are everywhere! They are there especially for you as you learn to live on this earth without Aunt Maggie. It is a rough road in the beginning, but through God and His angels your steps will get lighter and your heart will heal. It takes time and in this time surround yourself with happy memories, laugh and cry, share yourself with others. You can also find special things that remind you of Aunt Maggie every day in the landing of a beautiful butterfly, the sweet song of a singing bird, and many other things,,,just look around, they are there! We will be holding all of you close in our hearts and our prayers. You are all loved by us and we loved our Aunt Maggie dearly. Always remember that we will all be reunited in our Eternal Home one day with our Heavenly Father and be happy and healthy forever more. Kathy & Stephen

“ It is with great sadness I read of Ms. Deal's passing. Spent many an hour at Timp's and Ms. Deal's house while their son Tom and I were growing up. To Becky and the family my condolences.

“ I am so sorry to hear about Maggie. She was one of the sweetest people I ever met and had the privilege of working with. My parents loved her, too. Thoughts & prayers are with you. God will hold you close and give you the strength you need in this difficult time.

“ I send my deepest condolences to the family and friends of Mrs. Deal. Although I did not know her personally, the loss of a loved one is definitely a trying time for all. I pray that her family and friends can find comfort in God's Word the Bible, and continue to rely on Him in prayer. At John 5:28, 29 we read: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out..." May the promise of this beautiful resurrection give you hope and peace of mind!
