“ *To The Family of Margaret Ann Bumgarner to*

I send my condolence to the four of Margaret Ann children and to her bothers and sister.

I have know Margaret Ann all of my life, also living close to the family during my childhood. I remember my mother letting me when I began first grade at Brawley School her youngest brother Donny and I were bother to begin our years of school together, Margaret Ann took us both from the school bus at Brawley and onto our classroom, then she returned back to the bus that would take her onto high school, that story has been one of my favorite all my life.

I grew up calling her as the entire people on the River Loop and the Brawley School area called her Margaret Ann so I also passed per name onto my children.

I know you will miss her but you have all the good memories.

My prayers are with you.
