“ I was employed with Lexington State Bank and had many opportunities to work with Lee. She was an example to the women that needed a role model. She was such a graceful lady and my life was blessed to have known her. My prayers will be with you as you remember a very special lady to the community of Lexington.

“ *Deepest sympathy in the passing of your Mother. I remember all the family members growing up in Churchland. They were always so kind to everyone. Lee was in my art class for a number of years and we shared many good memories. May God bless you during this sad time.*
