“ To the family of Deanna I extend my deepest sympathy. I loved talking with Ms. Franke when she called our office. She and I had many great conversations and I will truly miss her. I admired her because she spoke her mind, she cared about people and their rights. The one thing I do know is that she loved her family. She was an amazing women. May God give each of you strength during this difficult time, as I keep you all in my prayers. Sharing your grief, Frances Massey, State Farm Insurance
